Figma file structure. How to use .fig files

As mentioned above each Silicon.fig file includes the designs of all pages and components. The file is divided into main sections:

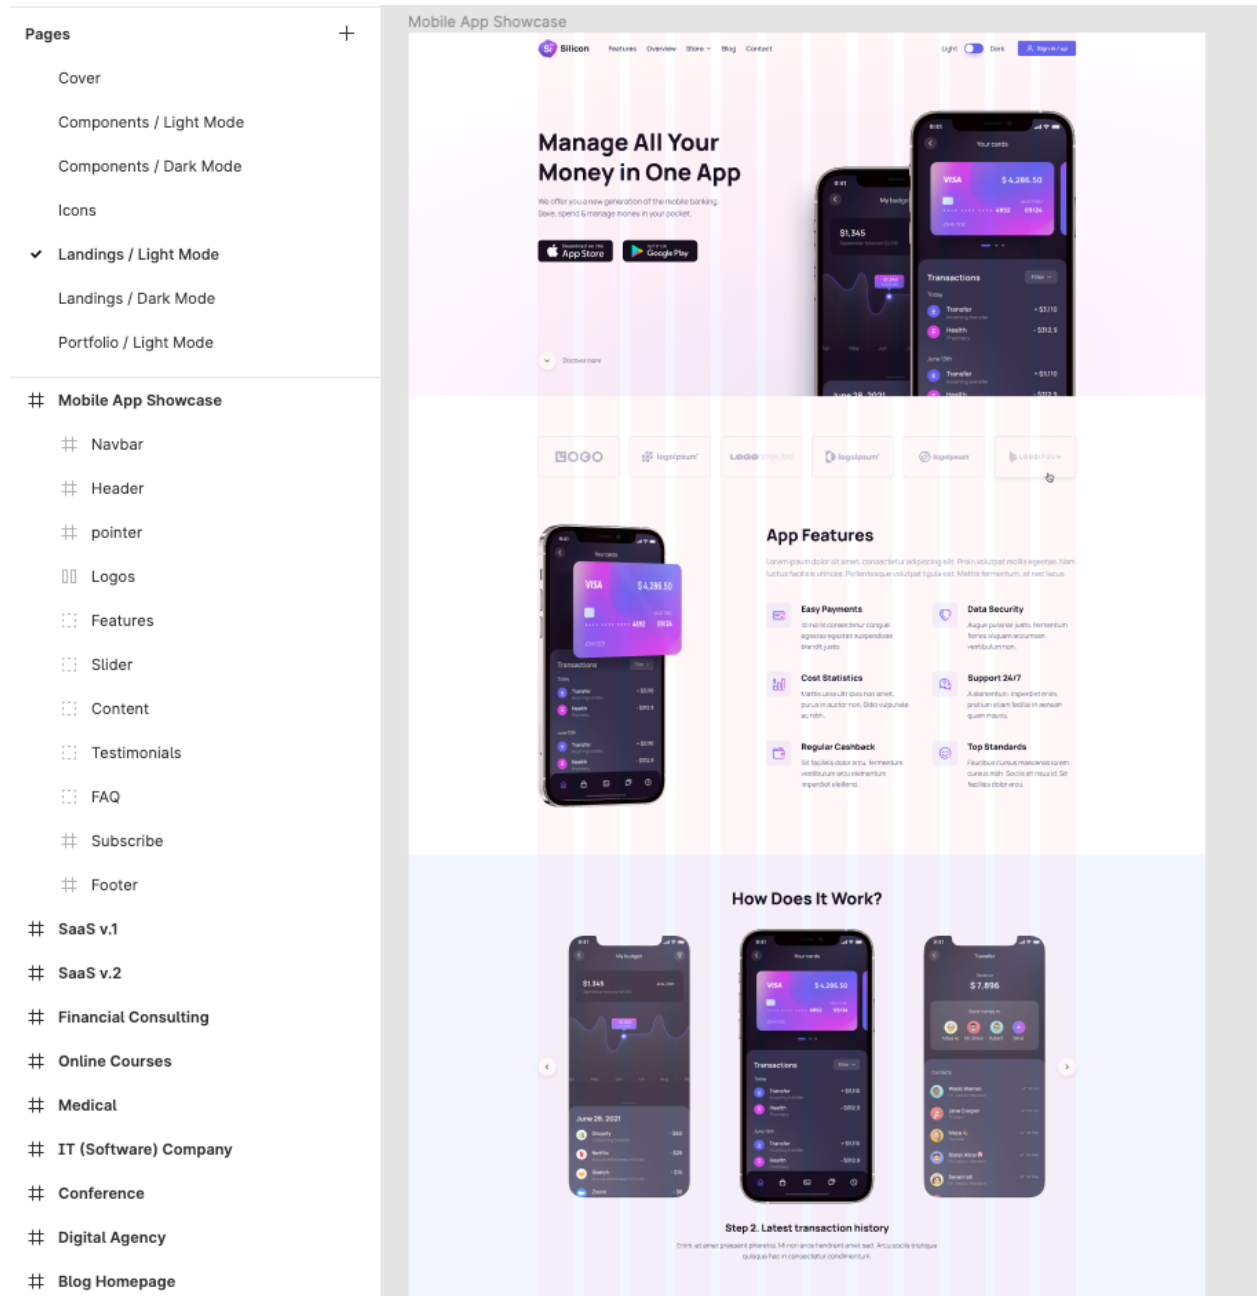

- Components / Light Mode
- Components / Dark Mode
- Icons
- Landings / Light Mode
- Landings / Dark Mode
- Portfolio / Light Mode
- Portfolio / Dark Mode
- Pages / Light Mode
- Pages / Dark Mode
- Blog / Light Mode
- Blog / Dark Mode
- Account / Light Mode
- Account / Dark Mode

Each page (screen design) is divided into group of layers related to the particular section of the page (see attached screenshot below)

File with .fig extension can be used inside Figma software either uploaded to the web version or inside the desktop application.
